

# Hyg Lounge

Exclusive lounge series inspired by "hygge"

## Made for “hygge”

No other word in the Danish language has become as internationally celebrated as “hygge”. “Hygge” is all about feeling good – security, warmth and comfort are all parts of its DNA, and it is precisely these qualities that provide the template for the Hyg lounge series. Hyg is an exclusive range, in which soft lines and encircling contours create a cozy and pleasant space. Characterized by its ample silhouette, Hyg radiates a primary organic purity. Its voluminous form is offset by a narrow contour which hones and refines its expression. High sides lightly shield off the room, while a broad seat makes it possible to assume a wide range of relaxed seating postures. The enveloping design can add a sense of security and privacy to a hectic environment, making the furniture eminently suitable for public spaces.

## Product Facts

### Description

With Hyg, Simon Legald has designed an exclusive range in which soft lines and encircling contours create a cozy and pleasant space. Hyg is made for hygge; a design that nourishes both the eye and the soul and which brings warmth and personality to any room.

### Designer / Year Of Design

Simon Legald / 2018

### Material

Shell: Hard molded PU foam with steel reinforcement

Cushion: Soft molded PU foam with upholstery

Legs: Lacquered oak

### Construction

The shell has a steel reinforcement for added strength. Hyg is made of molded PU foam with a molded lumbar support. Hyg is delivered assembled. Hyg swivel high and low versions are available with tilt function.

### Maintenance

Textile: Clean with textile or upholstery cleaner.

Leather: Clean with damp cloth. Use warm water with soap flakes.

Frequent vacuuming with a soft fitting is recommended for both textile and leather to preserve color and appearance.

### Accessories

Comes with PE glides.

Felt gliders can be purchased separately.
