TOA TOA

DESIGN:
ROBIN RIZZINI

The Toa table combines a technical-industrial style with decorative allure, giving life to a functional and evocative product. Lightweight and minimalist, is characterised by a solid die-cast aluminium frame. The main features are its tapered bridge legs made of die-cast aluminium, which are thinner at the base and widen up towards the "T" element that supports the top. Toa is available in a variety of widths and depths and in a wide range of finishes.
