## PET Felt Acoustic Panel

### Colours

#### Panel

### Specifications

#### Weight

6.8 kg

#### NRC

With 100 mm cavity: 0.90  
With 50 mm rockwool filling: 0.90  
Mounted directly on the wall: 0.60

#### $\alpha_w$ value

With 100 mm cavity: 0.95  
With 50 mm rockwool filling: 1.0  
Applied direct on the wall: 0.45

#### Absorption class

With 100 mm cavity: A  
With 50 mm rockwool filling: A  
Applied directly on the wall: D

#### Packaging

Carton box 245 x 80 x 15 cm  
Packed up to six panels per box

Packaging depends on the order quantity.

Contact [sales@devorm.nl](mailto:sales@devorm.nl) for more information.

Mute Flow is a universal acoustic panel for commercial interiors. The panel is made from PET Felt - a sustainable porous material able to absorb noises. Its defining feature is a wavy pattern - a decorative complement to any space. The panel serves both acoustic and aesthetic purposes in offices and public spaces, such as restaurants and hotels. Available in eleven unique PET Felt blends and suitable for walls and custom installations.

Designed by **De Vorm**

### Product overview

### Sustainability goals at De Vorm

We strive to do more with less when creating a comfortable living and working environment. To fulfil this purpose, we are constantly looking for sustainable materials, local suppliers and partners sharing the same values. Ensuring that our products are recycled, durable and recyclable after a long lifespan.

#### PET Felt technology

PET Felt is made from recycled PET bottles. Cut into smaller flakes, plastic is turned into thin fibres that are intertwined together to form a layer of felt. Further, it is pressed into the shape of a final product with the heat. As a result, PET Felt material is soft to touch and sturdy enough to be used for chair shells and room dividers. PET Felt is UV-stabilised and offers sound-dampening properties due to its open-cellular structure.

#### Warranty terms

You can find the general warranty terms at:

[www.devorm.nl/information-bank/corporate-information/warranty-terms](http://www.devorm.nl/information-bank/corporate-information/warranty-terms)

#### Care & Maintenance
